**EMERGENCY
DIAL**

Trick or Treating

- Smaller children should always be with an adult. It's best to take little ones out early.
- If older children are going out without you, **go over the ground rules first!**
- **Know what neighborhoods** they will be in.
- Don't allow them in areas with which you are not completely comfortable.
- **Have children stay in a group.**
- **Let them know what time to be home.**
- **Give them change** to use the telephone if necessary.

Costumes

- Children should **carry a flashlight** and their costumes should be bright-colored or have reflective tape to highlight them.
- Be sure all parts of the costume are **labeled flame retardent.**
- Costumes should not have trailing material or tails long enough to cause falls.
- Pointed objects such as swords and devils' forks should be made of soft material.
- If your child wears a mask instead of make-up on their face, double check that the eye **holes are large enough to see through clearly.**
- Children should **wear sturdy shoes** and temperature appropriate **clothing underneath their costumes.**

Decorations

- Use a **small flashlight instead of a candle.**
- Only use flame-proof crepe paper.
- Keep **dried leaves and cornstalks** away from all flames and heat sources.

Remember when you change your
clock to change your smoke
detector batteries
